I can do any of those days but would prefer the 3rd if schedules align. Thanks

We seem to be zeroing in on a smallish meeting with the NGOs.

The following dates are still in play within EPA. Please let me know if any of these work and I'll try and bring in the NGOs. How many of these can I offer up as possibilities?

Monday, November 30

Tuesday, December 1

Thursday, December 3

Subject: Bay Delta TUCP 60 day notice - Meeting with NGOs

Alexis Strauss has asked ORC to set up a meeting between EPA and the NGOs (NRDC, Defenders of Wildlife, Bay Institute) to discuss their 60-day Notice of their Intent to Sue EPA for EPA's failure to perform alleged mandatory duties associated with the State Board's recent Temporary Urgency Change Petition (TUCP) orders and inaction on triennial reviews. These issues were summarized in Lee Schroer's (OGC) Email that each of you received Thursday (12:14 pm)(John and Tomas, I just copied you on it since you seemed to miss the first one).

We envision that at least Sylvia Quast, Melanie Shepherdson, and I will attend for ORC, and that perhaps Tomas, John, and Tim will join us from Water. The NGOs requested a meeting with the RA, so I would be concerned if we do much more of a "step down" than that.

Time is short, and everyone's calendars are tricky as we move into holidays and possible shutdowns.

I would like to offer the NGOs a set of options for days to meet.

Here's an initial set to start the scheduling moving forward. If you want me to use a Doodle Poll instead, let me know.

Start with:

Tuesday, November 17

Thursday, November 19

Friday, November 20

Wednesday, November 25 (early)

Monday, November 30

Tuesday, December 1

Wednesday, December 2

Thursday, December 3
